

eBooks on Metaphysical Philosophy

Your Questions Answered

This book consists of the answers that Swamiji has furnished to the queries of spiritual seekers during the regular daily sessions that Swamiji held for many years. A veritable treat consisting of dialogues on various aspects of spiritual life.

[Spanish translation](#)

Religion and Social Values

Swamiji explains that spiritual life and worldly existence are not opposites, and that one loses nothing, but rather gains everything, when achieving the final goal of life which is Moksha.

Resurgent Culture

A trenchant series of lectures on the fundamental principles of world-understanding, social prosperity, personal solace and freedom. A sure means of purifying and polishing the mind and intellect of any sincere reader.

What is Knowledge

In this series, Swamiji explains what real knowledge is, its importance especially to seekers of Truth, and how to attain that understanding which liberates the soul.

The Vision of Life

These discourses comprise a penetrating analysis of every aspect of the vision of life – from the materialistic and humanistic to the psychological and psychoanalytical, followed by the universal, Vedic, religious and yogic visions.

Studies in Comparative Philosophy

A systematic study of the principle thinkers in the field of philosophy in the West in the light of the Vedanta doctrine of the East. A must for all students of philosophy.

The Ascent of the Spirit

A stimulating logical study starting with the foundations of educational psychology, its philosophical basis and spiritual significance, and covering such important areas of thought and action as the meaning behind social relationship, as well as the ultimate roots of legal and ethical principles involved in human life.

The Philosophy of the Panchadasi

A unique presentation on this unparalleled compendium, expounding the fundamental principles of Vedanta propounding the non-dual existence of Brahman, the supreme Absolute. Arranged into three sections of five chapters each, here is the entire Vedanta in a nutshell.

French translation
